

## CTE and H.A.B. will work together on the Italian Market

*Bauma, 21/04/2010*

During the Bauma show CTE has signed an exclusive distribution agreement with H.A.B.

CTE is a manufacturer of truck-mounted and tracked aerial work platforms, and distributor for Italy for the Genie self-propelled aerial work platforms range.

From today CTE will distribute in Italy the H.A.B. scissors product range (the electric and diesel highest lifts, from 17 to 32 meters height).
